Company Profile

Holland Colours develops, produces and commercializes solid and liquid colorants, masterbatches and additives for coloring rigid and flexible PVC for the building and construction industry, as well as PET and polyolefins for the packaging industry. Next to serving these global markets, we offer color concentrates for coatings, elastomers and adhesives and other applications. Our technical experts are always creating new color solutions to give our customers peace of mind based on precise color match and color consistency.

Holland Colours is a Dutch company listed on the Euronext Amsterdam Stock Exchange. With committed employee shareholders and operations in the Americas, Europe and Asia, we provide personal local service on a global scale.
